Comments from the public on Agenda items will be heard only when the respective item is being considered. Comments from the public on other matters within the Board's jurisdiction will be heard during the Public Comment period. Public comment is limited to 2 minutes per speaker, unless waived by the presiding officer of the Board. Members of the public who wish to speak are requested to fill out a Speaker's Card and submit it to the Secretary. The Agenda is posted for public review at Koban 307 E 1st Street, LA 90012. As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure availability of services, please make your request at least 3 business days (72 hours) of the meeting you wish to attend by contacting hcncla@gmail.com or by calling 323/849-0012.

In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the board in advance of a meeting, may be viewed at Koban, 307 E. First S., Los Angeles, CA 90012, or on our website at www.hcncla.org and <http://empowerla.org/hcnc/> and at the scheduled meeting. In addition, if you would like a copy of any record related to an item on the agenda, please contact hcncla@gmail.com

public agency

This will be a very brief overview of the project as it is beginning the early stages of the environmental clearance process. We intend to invite the public to our 2 scoping meetings in October and November. Please contact "business owner" Christina Harrington for questions at harringtonc@metro.net or 213-922-5649

Arts District, Little Tokyo
Michael Cortez, Community Relations Manager

Formerly known as the Red/Purple Line Core Capacity Improvements Project, the Division 20 Portal Widening and Turnback Facility Project aims to accommodate increased service levels on the Metro Red/Purple Lines. To achieve this, Metro is planning facility improvements, including a widening of the heavy rail tunnel south of the US-101 freeway (Portal Widening) and a new turnback facility (Turnback Facility) in the Division 20 rail yard. With these improvements, new tracks and switches will allow for improved service times at Union Station and throughout the Metro Red/Purple Line system.

Community Center

Chinatown, Solano Canyon

Not seeking alcohol license

R. Skyler Kogachi

This project has not been filed yet.

CCALA is proposing a three-story 8530 sf community center called Mary Help of Christians Center. The first floor has 6875 sf solely dedicated to 23 new parking spaces, 5 long-term and 5 short-term bike parking. The main level will have a multifunction space that can serve as a gymnasium with a regulation size badminton court or volleyball court, or a slightly reduced basketball half-court; 2 office spaces that will be used by St. Bridget Chinese Catholic Church; a meeting room; storage; large accessible restrooms and a kitchen. The upper level has 3 meeting rooms, each which can be subdivided.

The current property has no parking, a 6614 sf outdoor courtyard, and 3179 sf of building which are used as support spaces for the Church. The proposed community center will have 23 new parking spaces; 3572 sf multifunction space which is a 45% reduction from the current outdoor courtyard; and 4958 sf of other space which is about a 55% increase.

The programmatic use of the property will be similar to how it is currently used, but with updated facilities and parking where none exists currently. It's mission is to work in partnership neighboring communities to sponsor and support programs and activities that promote the Catholic faith, celebrate Chinese culture and benefit the Chinatown community.
